How to use this bibliography

The 1160 publications presented here have been tagged according to (1) their type of publication (review article; theoretical contribution; quantitative network analysis; qualitative or comparative analysis; methodology or computational models), (2) their area of inquiry or policy sector (e.g. democracy, globalization, environmental policy etc.) and (3) the countries which are analyzed in the study. The following type of sorting has been applied to the 1160 publications:

1. Type of article 1
   (a) Area of inquiry 1
      i. Africa (first general category, then all African countries in alphabetical order)
      ii. Asia (first general category, then all Asian countries in alphabetical order)
      iii. Europe (first general category including EU, then all European countries in alphabetical order, incl. Russia)
      iv. North and South America (first general category, then all American countries in alphabetical order)
      v. Oceania (Australia, New Zealand)
   (b) Area of inquiry 2 etc.

2. Type of article 2 etc.
