

EUSANCT: Does Supranational Coercion Work? Onset, Impact and Effectiveness of EU Sanctions. Final Workshop, September 17/18, 2019, Berlin

EUSANCT is a joint German-Polish project funded by the German Research Foundation and the National Science Centre through the Beethoven scheme. The final workshop will summarize the key findings of this research project headed by Dr. Paulina Pospieszna (Adam Mickiewicz University of Poznań, Poland and Prof. Gerald Schneider (University of Konstanz, Germany). The final workshop will take place at Berlin office of the GIGA German Institute of Global and Area Studies. The final workshop is supported by the German Marshall Fund, the German Research Foundation, the National Science Centre and the German Institute of Global and Area Studies and brings together sanction researchers as well as political practitioners.
